Dear Roughneck Supply Customer,

As you are aware, our Governments recent actions regarding tariffs focusing on, but not limited to, steel and aluminum, have been significant. Due to the ever changing pricing and how it affects the market, Roughneck Supply reserves the right to update pricing on impacted tariff items immediately on an as needed basis. We will continue to work diligently to minimize the impact that these tariffs have on your business.

We appreciate your understanding and thank you for your loyal support as a Roughneck Supply customer.

Regards,

Roughneck Supply
Pricing Department
